1. I don't know you but I want you all the more for that
Words fall through me n'always fool me and I can't react
Games that never amount to more than they're meant
Will play themselves out

R:

Take this sinking boat and point it home we've still got time
Raise your hopeful voice you have a choice You've made it now

2. Falling slowly, eyes that know me and I can't go back
Moods that take me and erase me and I'm painted black
You have suffered enough and warred with yourself
It's time that you won

R:

Take this sinking boat and point it home we've still got time
Raise your hopeful voice you have a choice You've made it now
